Answer: A

Question: 4

DRAG DROP

A corporation has established a simplified, five year Digital Transformation plan for all their businesses. They have chosen Dell EMC to help with their Digital Transformation goals.

Match each solution to its IT Transformation benefit.

<u>Solution:</u>	<u>Benefit:</u>
Cloud Native Architecture	Pre-integrated, tested, and certified at Dell EMC, enabling IT to focus on workload migration rather than assembling hardware and software
Hybrid Cloud Platform	Pre-configured, software-defined storage solution that reduces time to deploy infrastructure resources.
Converged Infrastructure	Provides multiple availability zones to deploy applications across multiple clouds
Hyper-converged Infrastructure	Provides an application that can be deployed across multiple clouds

Answer:

<u>Solution:</u>	<u>Benefit:</u>
Cloud Native Architecture	Pre-integrated, tested, and certified at Dell EMC, enabling IT to focus on workload migration rather than assembling hardware and software
Hybrid Cloud Platform	Pre-configured, software-defined storage solution that reduces time to deploy infrastructure resources.
Converged Infrastructure	Provides multiple availability zones to deploy applications across multiple clouds
